FORT WILLIAM,

POLITICAL DEPARTMENT,

4TH SEPTEMBER, 1837.

Resolution—The attention of His Lordship in Council has lately been called to the Regulations of the Bengal Code, which positively enjoin the use of the Persian language in Judicial and Fiscal Proceedings.

His Lordship in Council is sensible that it would be in the highest degree inexpedient hastily to substitute any other language for that which has during a long course of years, been appropriated to the transaction of public business. He is satisfied that in many parts of the country a sudden and violent change would produce serious public inconvenience, and that it would reduce many old and useful servants of the public to distress such as no humane Government would willingly cause.

At the same time, His Lordship in Council strongly feels it to be just and reasonable that those Judicial and Fiscal Proceedings on which the dearest interest of the Indian people depend, should be conducted in a language which they understand. That this great reform must be gradual, that a considerable time must necessarily elapse before it can be carried into full effect, appears to His Lordship in Council to be an additional reason for commencing it without delay. His Lordship in Council is therefore disposed to empower the Supreme Executive Government of India, and such subordinate authorities as may be thereunto appointed by the Supreme Government, to substitute the Vernacular languages of the country for the Persian in legal proceedings and in proceedings relating to the Revenue.

It is the intention of His Lordship in Council to delegate the powers given by this Act, for the present only to the Governor of Bengal and to the Lieut. Governor of the N. W. Provinces, and he has no doubt that those high authorities will exercise those powers with that caution which is required at the first introduction of extensive changes however salutary in an old and deeply rooted system.

The following Draft of a proposed Act is accordingly published for general information :

ACT No. — OF 1837.

I. It is hereby enacted, that from the day of it shall be lawful for the Governor General of India in Council, by an Order in Council, to dispense either generally, or within such local limits as may to him seem meet, with any provision of any Regulation of the Bengal Code which enjoins the use of the Persian language in any Judicial proceeding, or in any proceeding relating to the Revenue, and to prescribe the language and character to be used in such proceedings.

II. And it is hereby enacted, that from the said day it shall be lawful for the said Governor General of India in Council, by an Order in Council, to delegate all or any of the powers given to him by this Act, or any part thereof, to any subordinate authority under such restrictions as may to the said Governor General of India in Council seem meet.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 24th day of October next.

**FORT WILLIAM,
LEGISLATIVE DEPARTMENT,**

THE 11TH SEPTEMBER, 1837.

The attention of the Governor General in Council has been called to the situation in which many of the Landed Proprietors in the British Settlements in the Straits are placed.

His Lordship in Council apprehends that within those Settlements Land can be lawfully bequeathed and inherited only according to the rules of English Law.

But it is certain that, in practice, the rules of English Law have been little regarded by a great part of the population. Land of freehold tenure has been equally divided between the Members of a family, instead of descending to the heir-at-law. It has been bequeathed by Testaments not executed with the formalities of a devise. Emigrants from different Countries have introduced their own national usages, and the legality of those usages has not, as far as His Lordship in Council is informed, been publicly questioned.

His Lordship in Council is apprehensive that if any attempt were made to enforce the English Law of inheritance in a society in which such laxity and variety of practice have hitherto prevailed, great confusion, distress and insecurity would be the consequence.

His Lordship in Council has therefore determined, to pass an Act which may prevent all doubt as to the law for the future, and which may secure the present holders of land in those possessions. He thinks it desirable that the Eastern Settlements should henceforth be dealt with by the Courts as being, and as having always been of the nature of personal property. He proposes to confirm in their Estates all on whom the Estates of deceased persons have devolved either in the mode which has hitherto been strictly lawful, or in any of the modes which though not strictly lawful, have yet been popularly considered as lawful. Another proviso has been added for the purpose of securing those who having acquired Estates in any of the above mentioned modes have subsequently sold them, in the enjoyment of the purchase money.

In conformity with these views His Lordship in Council has passed the following Act:

Act No. XX. of 1837.

I. It is hereby enacted, that from the first day of October, 1837, all immovable Property situate within the jurisdiction of the Court of Judicature of Prince of Wales' Island, Singapore and Malacca, shall, as far as regards the transmission of such property on the death and intestacy of any person having a beneficial interest in the same, or by the last Will of any such person, be taken to be, and to have been, of the nature of Chattels real and not of freehold.

II. Provided always, that in any suit at law or in equity which shall be brought for the recovery of such immovable Property as is aforesaid, no advantage shall be taken of any defect of title arising out of the transmission of such property upon the death and intestacy of any person having a beneficial interest in the same, or by the last Will of any such person, if such transmission took place before the said first day of October, and if such transmission were according to the Rules which regulate the transmission of freehold property, or were according to the Law of the Nation to which the deceased person belonged, or took place with the acquiescence of all those to whom any interest in that property would, according to the Rules which regulate the transmission of Chattels real, have accrued upon the death of that person.

III. Provided also, that in all cases where such immovable Property derived from a deceased person, shall have been, before the said first day of October conveyed for a valuable consideration by any person who would be entitled to convey the same according to the Rules which regulate the transmission of freehold property, or according to the law of the nation to which the deceased person belonged, the person who so conveyed shall be entitled to retain to his own use the consideration received for such conveyance.

FORT WILLIAM, 18th September, 1837.

No. 198 of 1837.—In continuation of General Orders No. 195, of the 5th October 1836, the following para. of a Letter No. 8, from the Honorable the Court of Directors in the Public Department, dated the 28th June last, are published in General Orders:

"Para. 1. In our Letter in the Military Department, dated the 1st of June, (No. 4) of 1836, we informed you, that His late Majesty's Government had consented to extend to the Retired Officers of our Army the same advantages which were enjoyed by His Majesty's Officers settling in the Colonies of Western Australia, New South Wales, and Van Dieman's Land.

2. We have now to communicate the concession to Retired Officers of our Navy of the same benefits to which Officers of the same rank and standing in Her Majesty's Navy are entitled in those Colonies; and further the extension of similar privileges to the Members of both Services settling in the British North American Colonies.

3. It is necessary, however, to state for the guidance of those who may be disposed to avail themselves of the last named privileges, that the Legislature of Upper Canada have in their last Session passed an Act for the Regulation of the System on which the Crown Lands are disposed of. In New Brunswick also, a Bill was passed by the Council and Assembly for restraining the free grant of Land, except in certain specified cases, and although this Bill was prevented by circumstances from becoming Law during that Session, it is the belief of Her Majesty's Colonial Authorities in this Country, that a similar Bill may, by this time, have been again passed and may have received the assent of the Lieutenant Governor.

4. Under the circumstances, and in reference to the probability that the other North American Colonies will follow the example of Upper Canada and New Brunswick, it has been suggested from the Colonial Department, that it will be necessary in communicating the concession of the above named privilege to the Officers of our Army and Navy, distinctly to explain to them, that their acquisition of Land in North America, on the specified conditions, is altogether dependent on the measures which the Legislatures of the respective Provinces may think proper to adopt on the general question, and that Her Majesty's Government can offer no guarantee for the permanency of the present system."

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

1. d.	Per Company's Rupee for Advances made at.....	Bengal.
	Ditto.....	Madras.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including

Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, when any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government's Agents from whom he received the Advances, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them, before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

W. H. MACNAGHTEN,

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 11TH SEPTEMBER, 1837.

The attention of the Governor General in Coun-
cil has been called to the situation in which many
of the Landed Proprietors in the British Settlements
in the Straits are placed.

His Lordship in Council apprehends that within
these Settlements Land can be lawfully bequeathed
and inherited only according to the rules of Eng-
lish Law.

But it is certain that, in practice, the rules of
English Law have been little regarded by a great
part of the population. Land of freehold tenure
has been equally divided between the Members of
a family instead of descending to the heir-at-law.
It has been bequeathed by Testaments not executed
with the formalities of a devise. Emigrants from
different Countries have introduced their own na-
tional usages, and the legality of those usages has
not, as far as His Lordship in Council is informed,
been publicly questioned.

His Lordship in Council is apprehensive that if
any attempt were made to enforce the English Law
of inheritance in a society in which such laxity
and variety of practice have hitherto prevailed,
great confusion, distress and insecurity would be
the consequence.

His Lordship in Council has therefore determin-
ed to pass an Act, which may prevent all doubt as
to the law for the future, and which may secure the
present holders of Land in their possessions. He
thinks it desirable that Land in the Eastern Settle-
ments should henceforth be dealt with by the
Courts as being, and as having always been of
the nature of personal property. He proposes to
confirm in their Estates all on whom the Estates of
deceased persons have devolved either in the mode
which has hitherto been strictly lawful, or in any
of the modes which though not strictly lawful,
have yet been popularly considered as lawful.
Another proviso has been added for the purpose of
securing those who having acquired Estates in any
of the above mentioned modes have subsequently
sold them, in the enjoyment of the purchase money.

In conformity with these views His Lordship in
Council has passed the following Act:

ACT No. XX. OF 1837.

I. It is hereby enacted, that from the first day
of October, 1837, all immoveable Property situate
within the jurisdiction of the Court of Judicature
of Prince of Wales' Island, Singapore and Ma-
lacca, shall, as far as regards the transmission of
such property on the death and intestacy of any
person having a beneficial interest in the same, or
by the last Will of any such person, be taken to
be, and to have been, of the nature of Chattels
real and not of freehold.

II. Provided always, that in any suit at law or in equity which shall be brought for the recovery of such immovable Property as is aforesaid, no advantage shall be taken of any defect of title arising out of the transmission of such property upon the death and intestacy of any person having a beneficial interest in the same, or by the last Will of any such person, if such transmission took place before the said first day of October, and if such transmission were according to the Rules which regulate the transmission of freehold property, or were according to the Law of the Nation to which the deceased person belonged, or took place with the acquiescence of all those to whom any interest in that property would, according to the Rules which regulate the transmission of Chattels real, have accrued upon the death of that person.

III. Provided also, that in all cases where such immovable Property derived from a deceased person, shall have been, before the said first day of October conveyed for a valuable consideration by any person who would be entitled to convey the same according to the Rules which regulate the transmission of freehold property, or according to the law of the nation to which the deceased person belonged, the person who so conveyed shall be entitled to retain to his own use the consideration received for such conveyance.

W. H. MACNAGHTEN,
Secy. to the Govt. of India.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 18TH SEPTEMBER, 1837.

The following Draft of a proposed Act was read in Council for the first time on the 18th September 1837:

ACT No. — of 1837.

I. It is hereby enacted, that from the day of the Provisions of Clauses second and third, Section IV., Regulation IV. of 1821 of the Madras Code, shall apply to all petty offences cognizable by heads of District Police, as well as to petty thefts.

II. And it is hereby enacted, that whenever any head of District Police shall, under those Provisions, report any cause whatever to a Magistrate for final Orders, such head of District Police shall state precisely in his report the description and extent of the punishment, which in his opinion is proper to be inflicted in that case, and the said Magistrate, if he give orders at variance in any respect with that opinion, shall record his reasons for varying from it.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 31st day of October 1837.

THE 18TH SEPTEMBER, 1837.

II. Provided always, that it shall not be lawful to send any European or American, for such purpose, to a Principal Sudder Aumeen; but that Magistrates shall send Europeans and Americans, for trial, committal or confinement, to the Criminal Judges, as heretofore.

Ordered, that the Draft now read be published for general information.

FORT WILLIAM,

LEGISLATIVE DEPARTMENT,

THE 11TH SEPTEMBER, 1837.

The attention of the Governor General in Council has been called to the situation in which many of the Landed Proprietors in the British Settlements in the Straits are placed.

His Lordship in Council apprehends that within those Settlements Land can be lawfully bequeathed and inherited only according to the rules of English Law.

But it is certain that, in practice, the rules of English Law have been little regarded by a great part of the population. Land of freehold tenure has been equally divided between the Members of a family instead of descending to the heir-at-law. It has been bequeathed by Testaments not executed with the formalities of a devise. Emigrants from different Countries have introduced their own national usages, and the legality of those usages has not, as far as His Lordship in Council is informed, been publicly questioned.

His Lordship in Council is apprehensive that if any attempt were made to enforce the English Law of inheritance in a society in which such laxity and variety of practice have hitherto prevailed, great confusion, distress and insecurity would be the consequence.

His Lordship in Council has therefore determined to pass an Act, which may prevent all doubt as to the law for the future, and which may secure the present holders of Land in their possessions. He thinks it desirable that Land in the Eastern Settlements should henceforth be dealt with by the Courts as being, and as having always been of the nature of personal property. He proposes to confirm in their Estates all on whom the Estates of deceased persons have devolved either in the mode which has hitherto been strictly lawful, or in any of the modes which though not strictly lawful, have yet been popularly considered as lawful. Another provision has been added for the purpose of securing those who having acquired Estates in any of the above mentioned modes have subsequently sold them, in the enjoyment of the purchase money.

In conformity with these views His Lordship in Council has passed the following Act:

ACT No. XX. OF 1837.

I. It is hereby enacted, that from the first day of October, 1837, all immovable Property situate within the jurisdiction of the Court of Judicature of Prince of Wales Island, Singapore and Malacca, shall, as far as regards the transmission of such property on the death and intestacy of any person having a beneficial interest in the same, be by the last Will of any such person, be taken to be, and to have been, of the nature of Chattels real and not of freehold.

II. Provided always, that in any suit at law or in equity which shall be brought for the recovery of such immovable Property as is aforesaid, no advantage shall be taken of any defect of title arising out of the transmission of such property on the death and intestacy of any person having a beneficial interest in the same, or by the last Will of any such person, if such transmission took place

before the said first day of October, and if such transmission were according to the Rules which regulate the transmission of freehold property, or were according to the Law of the Nation to which the deceased person belonged, or took place with the acquiescence of all those to whom any interest in that property would, according to the Rules which regulate the transmission of Chattels real, have accrued upon the death of that person.

III. Provided also, that in all cases where such immoveable Property derived from a deceased person, shall have been, before the said first day of October conveyed for a valuable consideration by any person who would be entitled to convey the same according to the Rules which regulate the transmission of freehold property, or according to the law of the nation to which the deceased person belonged, the person who so conveyed shall be entitled to retain to his own use the consideration received for such conveyance.

THE 2d OCTOBER, 1837.**

The following Act passed by the Right Hon'ble the Governor General of India in Council, on the 21 day of October 1837, is hereby promulgated for general information:

I. It is hereby enacted, that it shall be lawful for the Governor of the Presidency of Fort William in Bengal to appoint a Superintendent of Police for the Territories under his Government or for any part thereof, and for the Lieutenant Governor of the N. W. Provinces to appoint a Superintendent of Police for those Provinces, or for any part thereof.

II. And it is hereby enacted, that whenever a Superintendent of Police shall be appointed under this Act, such parts of Section 7, Regulation I. 1829, of the Bengal Code, as vest the Commissioner of Revenue and Circuit with the duties and powers belonging to the Superintendent of Police, shall cease to have effect in the Territories which may be comprised within the jurisdiction of such Superintendent,—and such Superintendent shall be guided in the execution of the duties of his Office by the Rules contained in Regulation X. 1808, and other Regulations of the Bengal Code, subsequently enacted, in regard to the said Office, in so far as they may not be modified or repealed by this Act.

III. And it is hereby enacted, that whenever such a Superintendent of Police as aforesaid shall be appointed for any jurisdiction, Section 3, Regulation IX. 1831, of the Bengal Code, shall cease to have effect within that jurisdiction.

IV. And it is hereby enacted, that the Superintendent of Police appointed under this Act, shall exercise all the powers that may be now legally exercised by the Commissioners of Circuit, in virtue of the authority vested in them by Section 3, Regulation I. 1829, of the Bengal Code, in regard to the appointment, suspension and removal of any Ministerial or Police Officer, subordinate to any Zillah or City Magistrate, or Joint Magistrate.

V. And it is hereby enacted, that whenever the whole administration of Criminal Justice shall, under the provisions of Act No. VII. of 1835, be vested in any Session Judge, such Session Judge shall

receive and try any appeal made to him from any order of any Zillah or City Magistrate, or Joint Magistrate, whether such order may have been passed in a Criminal trial or in any Judicial proceeding whatever—provided, that it shall not be competent to such Session Judge to interfere with any order passed by a Zillah or City Magistrate, or Joint Magistrate, regarding the appointment, suspension, or removal of any Ministerial or Police Officer, the revision of which has by Section IV. of this Act been entrusted to the Superintendent of Police.

VI. And it is hereby enacted, that the decision of a Session Judge in Appeal from the order of a Zillah or City Magistrate, or Joint Magistrate, in any Judicial proceeding other than a Criminal trial; and also the orders of the Superintendents of Police in regard to the appointment, suspension, or removal of a Ministerial or Police Officer of a Zillah or City Magistrate, or Joint Magistrate, passed under the provisions of Sections 4 and 5 of this Act respectively, shall not be open to revision by the Nizamut Adawlut.

VII. And it is hereby enacted, that whenever the whole administration of Criminal Justice shall, under the provisions of Act No. VII. 1835, and Section V. of this Act, be vested in any Session Judge, such Session Judge shall possess the same control and superintendence over every Jail under the management of any Zillah or City Magistrate, or Joint Magistrate, subject to his jurisdiction, and over the Officers of every such Jail as may have been exercised by the Commissioners of Circuit under the provisions of Section 3, Regulation I. 1829, or of any Regulation, Act, or Circular Order of the Nizamut Adawlut, which may have been passed or issued since the promulgation of the said Regulation.

VIII. And it is hereby enacted, that the Act shall come into operation on the 1st of January 1838, except so much thereof as authorizes the appointment of Superintendents of Police which shall come into operation from the day of the passing of this Act.

The Resolution and Draft of a proposed Act published for general information in the Official Gazette of the 2d August last, for increasing the powers and raising the allowances of the Subordinate Judicial Officers, and for introducing other improvements in the Department of Civil Justice, was read and re-considered on this date.

The following Act passed by the Right Hon'ble the Governor-General of India in Council, is hereby promulgated for general information :

Act No. XXV. of 1837.

I. It is hereby enacted, in modification of Section XVIII. Regulation V. 1831 of the Bengal Code, that from the first day of November 1837, no Zillah or City Judge within the Territories subject to the Presidency of Fort William in Bengal, shall be precluded by reason of the amount or value of the property for the recovery of which a Suit is instituted, from referring that Suit to any Principal Sudder Ameen.

II. And it is hereby enacted, that so much of Clause Second, Section XXXI. Regulation VII. 1822, and Section XIX. Regulation VIII. 1831 of the Bengal Code, as provides that Suits of the description therein referred to, shall not be cognizable by, or referrible to any Sudder Ameen or Moonsiff, be repealed.

III. And it is hereby enacted, that it shall be competent to every Zillah or City Judge within the said Territories, to refer for trial and decision any Original Suit preferred under the provisions of Clause First, Section XXX. Regulation II. 1840 of the Bengal Code, to any Principal Sudder Ameen, any thing in the existing Regulations to the contrary notwithstanding.

IV. And it is hereby enacted, that in all Suits exceeding the amount or value specified in Clause First, Section XVIII. Regulation V. 1831, which shall under the authority of Section I. of this Act, be referred to a Principal Sudder Ameen, the Appeal from the decision of such Principal Sudder Ameen shall be direct to the Court of Sudder Dewanny Adawlut, and shall be conducted in all respects according to the same rules as if it were an Appeal from the decision of a Zillah Judge to the said Court of Sudder Dewanny Adawlut, and any application for a review of judgment on such decision shall be made by the said Principal Sudder Ameen directly to the said Court of Sudder Dewanny Adawlut, and shall be conducted in all respects as if it were an application for a review of a decision of a Zillah Judge.

V. And it is hereby enacted, that whenever a Zillah or City Judge within the said Territories in the exercise of the discretion vested in him by Section VII. Regulation V. 1831 of the Bengal Code, shall refer for trial to a Sudder Ameen or Principal Sudder Ameen, a Suit within the competency of a Moonsiff to decide, such Suit shall be subject to the same rules in regard to Stamp Duties, and to the same rules in regard to Appeal as the said Suit would have been subjected to had it been received and tried by the Moonsiff in the first instance.

VI. Provided always, that when any such Suit shall have been decided by a Principal Sudder Ameen, the Appeal from such decision shall lie to the Zillah or City Judge, and shall be tried by him only, and that the decision of the Zillah or City Judge on such Appeal, shall be final, anything in the existing Regulations to the contrary notwithstanding.

VII. And it is hereby enacted, that whenever a Zillah or City Judge within the said Territories shall refer for trial to a Principal Sudder Ameen a Suit within the competency of a Sudder Ameen to decide, such Suit shall be subject to the same rules in regard to Stamp Duties, and to the same rules in regard to Appeal, as the said Suit would have been subjected to, had it been referred to, and tried by, the Sudder Ameen in the first instance.

VIII. And it is hereby enacted, that it shall be competent to either of the Courts of Sudder Dewanny Adawlut within the Territories subject to the Presidency of Fort William in Bengal, by an Order under the signature of the Register of such Court, to authorize the Judge of any Zillah or City Court subordinate to such Court of Sudder Dewanny Adawlut to transfer to a Principal Sudder Ameen any Civil proceedings, whether miscellaneous or summary, which may be depending at the time when such Order is issued, or be thereafter instituted, in the Court of the said Zillah or City Judge, and all proceedings so transferred shall be disposed of by the said Principal Sudder Ameen according to the Rules prescribed in the Regulations for the guidance of the Zillah and City Judges in the like cases,—provided however that an Appeal from the order of the Principal Sudder Ameen in such cases shall lie in the first instance to the Zillah or City Judge, and specially to the Sudder Dewanny Adawlut.

IX. And it is hereby enacted, that Clause Second, Section II. Regulation VII. 1832, be repealed, and that in all cases in which an Appeal from the order or decision of a Principal Sudder Ameen to a Zillah or City Judge is authorized by Law such Appeal shall not be received, unless the same be preferred within the period of thirty days from the date of the order or decision of the said Principal Sudder Ameen, to be calculated according to the rules prescribed in Clause Ten, Section VIII. Regulation XXVI. 1814, or unless it shall be proved, that the appellant was prevented by circumstances beyond his control from presenting his Appeal within the above mentioned period.

X. And it is hereby enacted, that Clause First, Section XXV. Regulation V. 1831 of the Bengal Code, be repealed.

XI. And it is hereby enacted, that the rule contained in the Second Clause of Section XXV. Regulation V. 1831, be extended to the Ministerial Officers of the Moonsiff's Courts.

FORT WILLIAM,
LEGISLATIVE DEPARTMENT,

THE 2D OCTOBER, 1837.

The Resolution and Draft of a proposed Act published for general information in the Official Gazette of the 2d August last, for increasing the powers and raising the allowances of the Subordinate Judicial Officers, and for introducing other improvements in the Department of Civil Justice, was read and re-considered on this date.

The following Act passed by the Right Hon'ble the Governor General of India in Council, is hereby promulgated for general information :

Act No. XXV. of 1837.

I. It is hereby enacted, in modification of Section XVIII. Regulation V. 1831 of the Bengal Code, that from the first day of November 1837, no Zillah or City Judge within the Territories subject to the Presidency of Fort William in Bengal, shall be precluded by reason of the amount or value of the property for the recovery of which a Suit is instituted, from referring that Suit to any Principal Sudder Ameen.

II. And it is hereby enacted, that so much of Clause Second, Section XXXI. Regulation VII. 1822, and Section XIX. Regulation VIII. 1831 of the Bengal Code, as provides that Suits of the description therein referred to, shall not be cognizable by, or referable to any Sudder Ameen or Moonsiff, be repealed.

III. And it is hereby enacted, that it shall be competent to every Zillah or City Judge within the said Territories, to refer for trial and decision any Original Suit preferred under the Provisions of Clause First, Section XXX. Regulation II. 1819 of the Bengal Code, to any Principal Sudder Ameen, anything in the existing Regulations to the contrary notwithstanding.

IV. And it is hereby enacted, that in all Suits exceeding the amount or value specified in Clause First, Section XVIII. Regulation V. 1831, which shall under the authority of Section I. of this Act, be referred to a Principal Sudder Ameen, the Appeal from the decision of such Principal Sudder Ameen shall be direct to the Court of Sudder Dewanny Adawlut, and shall be conducted in all respects according to the same rules as if it were an Appeal from the decision of a Zillah Judge to the said Court of Sudder Dewanny Adawlut, and any application for a review of judgment on such decision shall be made by the said Principal Sudder Ameen directly to the said Court of Sudder Dewanny Adawlut, and shall be conducted in all respects as if it were an application for a review of a decision of a Zillah Judge.

V. And it is hereby enacted, that whenever a Zillah or City Judge within the said Territories in the exercise of the discretion vested in him by Section VII. Regulation V. 1831 of the Bengal Code, shall refer for trial to a Sudder Ameen or Principal Sudder Ameen, a Suit within the competency of a Moonsiff to decide, such Suit shall be subject to the same rules in regard to Stamp Duties, and to the same rules in regard to Appeal as the said Suit would have been subjected to had it been received and tried by the Moonsiff in the first instance.

VI. Provided always, that when any such Suit shall have been decided by a Principal Sudder Ameen, the Appeal from such decision shall lie to the Zillah or City Judge, and shall be tried by him only, and that the decision of the Zillah or City Judge on such Appeal, shall be final, anything in the existing Regulations to the contrary notwithstanding.

VII. And it is hereby enacted, that whenever a Zillah or City Judge within the said Territories shall refer for trial to a Principal Sudder Ameen a Suit within the competency of a Sudder Ameen to decide, such Suit shall be subject to the same rules in regard to Stamp Duties, and to the same rules in regard to Appeal, as the said Suit would have been subjected to, had it been referred to, and tried by, the Sudder Ameen in the first instance.

VIII. And it is hereby enacted, that it shall be competent to either of the Courts of Sudder Dewanny Adawlut within the Territories subject to the Presidency of Fort William in Bengal, by an Order under the signature of the Register of such Court, to authorize the Judge of any Zillah or City Court subordinate to such Court of Sudder Dewanny Adawlut to transfer to a Principal Sudder Ameen any Civil proceedings, whether miscellaneous or summary, which may be depending at the time when such Order is issued, or be thereafter instituted, in the Court of the said Zillah or City Judge, and all proceedings so transferred shall be disposed of by the said Principal Sudder Ameen according to the Rules prescribed in the Regulations for the guidance of the Zillah and City Judges in the like cases,—provided however that an Appeal from the order of the Principal Sudder Ameen in such cases shall lie in the first instance to the Zillah or City Judge, and specially to the Sudder Dewanny Adawlut.

IX. And it is hereby enacted, that Clause Second, Section II. Regulation VII. 1832, be repealed, and that in all cases in which an Appeal from the orders or decision of a Principal Sudder Ameen to a Zillah or City Judge is authorized by Law such Appeal shall not be received, unless the same be preferred within the period of thirty days from the date of the order or decision of the said Principal Sudder Ameen, to be calculated according to the rules prescribed in Clause Ten, Section VIII. Regulation XXVI. 1814, or unless it shall be proved, that the appellant was prevented by circumstances beyond his control from presenting his Appeal within the above mentioned period.

X. And it is hereby enacted, that Clause First, Section XXV. Regulation V. 1831 of the Bengal Code, be repealed.

XI. And it is hereby enacted, that the rule contained in the Second Clause of Section XXV. Regulation V. 1831, be extended to the Ministerial Officers of the Moonsiff's Courts.

XII. And it is hereby enacted, that all Ministerial Officers of the Courts of Moonsiffs, Sudder Ameens, and Principal Sudder Ameens shall be nominated and appointed by those Courts respectively, subject to the general control of the Zillah and City Judges and Court of Sudder Dewanny Adawlut, within whose jurisdiction the said Courts may be situated.

FORT WILLIAM.

FINANCIAL DEPARTMENT, 16th JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve; and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a. d.	Per Company's Rupee for Advances made at	Bengal.
	Ditto	Ditto Madras.
	Ditto	Ditto Bombay.
	Per Spanish Dollar, Ditto	China.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of repaying the Company the amount of the Advances made thereon, including

Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor, and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions; but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice or concurrence of any person whatsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the repaying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each Consignment.

CONSIDERABLE misapprehension prevailing as to what articles are comprized in the term "Baggage in use" and so entitled to Free duty—It is hereby declared, that the term applies solely to Wearing Apparel, second hand or in use, Cabin Furniture and trifling Personal Property, all in use and accompanying the Proprietor.

The Tidewater on board each Vessel, after satisfying himself by inspection that Baggage as above defined, has been in use, will pass direct from the Ship.

Fresh Millinery, Saddlery, Musical Instruments, Guns, Pistols, Carriages, Wines, Spirits, Plate, Glass, Crockery, &c. not used, [although for personal use and not brought for sale] are liable to Duty: all packages containing such articles as well as all closed packages whatever the contents may be stated to be, must be sent to the Custom House at the expense of the Proprietor for examination and levy of Duty, unless the Proprietor can produce to the Tidewater a Custom House Permit or Pass-particularly specifying such packages.

Passengers whose Baggage may have been forwarded to the Custom House, are requested to apply in writing to the Collector of Customs at the Custom House for a Permit: such application should contain the number of packages and the contents and value of each.

Personal applications cannot be attended to.
